

CURRICULUM VITAE

CECILIA BIANCALANA

DOB: September 9th, 1989

NATIONALITY: Italian

CURRENT POSITION: non-tenured assistant professor (RtdA)
in political science at the University of Turin (Italy)

I. EDUCATION

PhD in Social and political change at the Universities of Turin and Florence (XXX cycle) and in Science politique at the University of Lausanne (co-tutorship). Title of the doctoral thesis: “Party change between disintermediation and reintermediation: The cases of the Democratic Party and the Five Star Movement”. Graduated with honors. Supervisor: prof. Franca Roncarolo and prof. Oscar Mazzoleni. Members of the commission: prof. André Mach (Université de Lausanne), prof. Michele Sorice (LUISS, Rome), Professor Emilie van Haute (Libre Université de Bruxelles).
Graduation date: June 7, 2019.

Master’s degree in Political sciences and decision-making processes, majors in Communication and political consultancy (University of Florence). Thesis title: “Populism between democratic malaise and participatory need: the case of the Five Star Movement”. Supervisor: prof. Marco Tarchi. Score: 110/100 cum laude. Thesis winner of the Enrico Melchionda prize (University of Salerno, 2015).
Graduation date: October 16, 2013.

Bachelor’s degree in Political science, majors in Communication, media and journalism (University of Florence). Thesis title: “Safety first. The evolution of the security issue in the speech of the Italian center-left (1996-2008)”. Supervisor: prof. Marco Tarchi. Score: 110/100 cum laude and award as “best student of the faculty” of the academic year 2010/2011.
Graduation date: June 28, 2011.

Course “Introduction to inferential statistics” (prof. Levente Littvay), ECPR Winter Methods School, 15-19 March 2021 (10 hours).

Course “Introduction to R” (Dr. Akos Mate), ECPR Winter Methods School, 22-26 March 2021 (10 hours).

II. RESEARCH ACTIVITIES

From 1 February 2022, **non-tenured assistant professor (RtdA) at the University of Turin**. Project title: Public opinion and climate change. Understanding the opinions of citizens to facilitate the ecological transition and reduce the effects of climate change. Scientific coordinator: prof. Giuliano Bobba.

From March 2019 to January 2022, **chercheuse FNS senior** in the project financed by the Swiss National Fund for Scientific Research: “The right-wing populist discourse in European cross-border areas”. Scientific coordinator: prof. Oscar Mazzoleni (Université de Lausanne). Main activities: data collection and creation of a database of populist party speeches, critical discourse analysis using the MAXQDA mixed-methods software; collaboration in the conception and development of an original questionnaire for a CAWI survey on the issues of the border and populism; publication of articles in scientific journals and chapters in collective volumes; organization of panels and presentation of papers at conferences.

From September 2016 to September 2017, **researcher in the “Political Innovation” research area of the Giangiacomo Feltrinelli Foundation (Milan)**. Project manager: Spartaco Puttini. Main activities: participation in the Foundation’s research and dissemination activities. Organization of workshops, conferences, public meetings; publication of articles and edited volumes on the Foundation’s research topics.

From November 2013 to June 2015, **collaborator of the Cattaneo Institute (Bologna)**. Director: Prof. Elisabetta Gualmini. Main activities: support for the research activities of the Institute.

III. PARTICIPATION IN RESEARCH GROUPS

2023

Principal investigator (with Valentina Goglio) of the project “**The risks of platform society: inequality, discrimination, manipulation**”. Funded by the University of Turin, the project involves partners from: University of Beira Interior, Université de Pau et des Pays des Adour, Université Savoie Mont Blanc, University of Seville, University of West Timisoara, University of Zaragoza.

2022

Secondary proposer of COST action proposal OC-2022-1-25833 “**Regaining linkage? Digital technologies' benefits for civic engagement, political organizations, and democracy**”. PI: prof. Michał Jacuński (Uniwersytet Wrocławski).

Member of the research group **“DIGIPART La transformación de digital de los partidos políticos. España en perspectiva comparada”** funded by the Generalitat Valenciana. PI: prof. Oscar Barberà (Universidad de Valencia).

2021

Member of the research group **“Political ecology and progressive perspectives in Europe. Green democracy platform”**. Project manager: Spartaco Puttini, Federico Magrin (Giangiacomo Feltrinelli Foundation). Main activities: organization of a workshop on “Building consensus on political ecology” under the supervision of Prof. Patrizia Catellani (Catholic University of Milan), drafting of reports.

Part of the Italian research team **DEMOS (Democratic efficacy and the varieties of populism in Europe)**, EC H2020 Grant agreement ID 822590. Scientific coordinator: prof. Giuliano Bobba (University of Turin). Main activities: conducting semi-structured interviews with journalists, production of research reports and scientific articles.

Member of the research group **“Populismo y fronteras: un estudio comparado de discursos y actitudes en la offer y demanda”**. Scientific coordinator: Jose Javier Olivas Osuna (Universidad nacional de educacion a distancia and London School of Economics). Main activities: analysis of the populist discourse and support for research on the Italian case.

Secondary proposer of COST action proposal OC-2021-1-25205 **“Regaining linkage? How digital technologies affect engagement in parties and political organizations”**. PI: prof. Michał Jacuński (Uniwersytet Wrocławski).

2020

Part of the Italian team of the **“Media for democracy monitor”** research. Italian coordinators: prof. Giuliano Bobba (University of Turin) and Prof. Claudia Padovani (University of Padua). Project manager: prof. Josef Trappel (Universität Salzburg). Main activities: semi-structured interviews with journalists and desk research for the indicators “Independence of the news media from powerholders”, “Transparency of data on leading news media”, “Affordable public and private news media”. Production of research reports and a volume chapter.

Member of the research project **“Digipart. La reinveniçó digital dels partits”** (AICO 2020-201) funded by the Generalitat Valenciana. PI: prof. Oscar Barberà (Universidad de Valencia). Main activities: writing a paper, presentations at conferences.

2019

Part of the Swiss team of the **“Political party data base (PPDB)”** project (2nd round). PI: Prof. Susan Scarrow (University of Houston). Main activities: codification of the statutes of the main Swiss parties.

2018

Member of the research group “**Grup d'elits i partits**”, Universidad de Valencia (GIUV 2017-362). PI: prof. Oscar Barberà. Main activities: participation in a seminar at the University of Valencia, publication of a chapter.

IV. VISITING PERIODS

October-December 2023, visiting scholar (chercheuse invitée), CEVIPOF, SciencesPo, Paris.

March-May 2022, **winner of a Mitacs Globalink scholarship for a visiting period in Canada at the Political Science Department of the Université Laval** as a post-doctoral stagiaire within the research project “Les défis de la démocratie des données”. Scientific coordinator: prof. François Gélneau (Université Laval). Main activities: organization of an international conference, editor of a volume, publication of a chapter.

V. TEACHING ACTIVITIES

Academic year 2022/2023, **holder of the course** “Nuove tecnologie, comunicazione pubblica e politica”, (University of Turin, Bachelor’s degree in Innovazione Sociale, Comunicazione e Nuove Tecnologie, 6 CFU).

LESSONS

Lesson within the course “Populisme (s) Enjeux théoriques et analyses empiriques” (prof. Oscar Mazzoleni) on the populist discourse on borders during the pandemic (Université de Lausanne, 23/3/2023) (2 hours, in French).

Lesson within the “Political science 2.0” course (prof. Daniela Piccio and prof. Giuliano Bobba) on the political conflict on climate change and green transition in Italy (University of Turin, 17/11/2022) (3 hours).

Lesson within the course “Partis politiques” (prof. Eric Montigny) on the digital transformation of political parties (Université Laval, 15/3/22) (2 hours, in French).

Lesson within the “Political science 2.0” course (prof. Daniela Piccio and prof. Giuliano Bobba) on electoral, organizational and communication changes in the Five Star Movement (University of Turin, 29/11/2021) (3 hours).

Lesson within the course “Populisme (s) Enjeux théoriques et analyses empiriques” (prof. Oscar Mazzoleni) on the analysis of the discourse of populist parties (Université de Lausanne, 22/3/2021) (2 hours, in French).

Lesson within the “Political science 2.0” course (Prof. Daniela Piccio) on the institutionalization of the Five Star Movement (University of Turin, 28/10/2020) (2 hours).

Lesson within the “Media analysis” course (Prof. Marinella Belluati) on speech analysis techniques, in particular with regard to populist parties (University of Turin, 13/10/2020) (2 hours).

Lesson within the “Political science” course (prof.ssa Elisabetta de Giorgi), on the relationship between social movements and parties, with particular reference to the Five Star Movement and the No Tav Movement (University of Trieste, 22/4/2020) (2 hours).

Lesson within the course “Populisme(s) Enjeux théoriques et analyses empiriques” (prof. Oscar Mazzoleni) on the discourse of populist parties in cross-border regions (Université de Lausanne, 11/3/2020) (2 hours, in French).

Lesson within the “Political science 2.0” course (Prof. Daniela Piccio) on new forms of online participation (University of Turin, 10/12/2019) (2 hours).

Lesson within the “Political science 2.0” course (Prof. Daniela Piccio) on the use of the Internet of the Five Star Movement (University of Turin, 5/11/2018) (2 hours).

Lesson within the “Political science 2.0” course (Prof. Daniela Piccio) on the dimensions of the success of the Five Star Movement (University of Turin, 20/11/2017) (2 hours).

SEMINARS

Seminar within the doctorate in Social and Political Change on political conflicts on environmental issues in Italy (University of Turin, 12/1/2023) (3 hours, with Franca Roncarolo).

Seminar within the Rendez-vous de science politique “Les partis politiques et le défi de la désintermédiation: Rhétorique et pratiques du changement organisationnel en Italie”. (Université Laval, Québec, 12/5/22) (2 hours, in French).

Seminar within the Robert Elgie – Brown Bag Seminars “From social movements to institutionalization: the Five Star movement and the Tav case” (Sapienza - University of Rome, 14/10/2020) (2 hours).

Seminar within the Summer school Participation politique et démocratie on “Le populisme comme renforcement de la participation citoyenne?” (Université de Lausanne, 22/5/2019) (3 hours, in French).

Seminar “Sociologie du Mouvement 5 étoiles: Qui sont les gagnants des élections italiennes?” (Université de Lausanne, 17/4/2018) (2 hours, in French).

Seminar of the Observatory on public and political communication of the Department of Cultures, politics and society “Internet and politics: the Five Star Movement and the Rousseau platform”, (University of Turin, 26/1/2018) (2 hours).

Seminar within the doctorate in Social and Political Change on disintermediation and new forms of intermediation in politics (University of Turin, 22/11/2016) (3 hours).

TEACHING ASSISTANCE

Lecturer for supplementary teaching activities, a.y. 2021/2022, “Political science 2.0” course (prof. Giuliano Bobba) (40 hours). University of Turin

Lecturer for supplementary teaching activities, a.y. 2021/2022, “Media analysis” course (prof. Marinella Belluati) (30 hours).

Teaching assistant for the academic year 2020/2021 at the university campus of the Lorusso e Cotugno prison (Turin) and the Rodolfo Morandi prison (Saluzzo), courses “Analysis of public policies” (prof. Stefania Ravazzi) and “Political science” (prof. Andrea Pritoni) (70 hours). Responsible: Dr. Marta Dotti.

Lecturer for supplementary teaching activities, a.y. 2020/2021, “Public communication” course (prof. Franca Roncarolo) (40 hours).

Lecturer for supplementary teaching activities, a.y. 2020/2021, “Media analysis” course (Prof. Marinella Belluati) (25 hours).

VI. ORGANIZATION OF CONFERENCES

September 2023, co-chair of the panel “Citizens, political actors, and the media facing climate change issues: new avenues of research”, SISP conference, Genoa (with Francesco Visconti).

September 2023, co-chair of the panel “Gamification in Politics: Lights and Shadows”, ECPR General Conference (Prague) (with Davide Vittori).

September 2023, chair of the panel “Social and political sciences facing the climate crisis: Citizens, media, parties, and social movements”, ECPR General Conference (Prague).

May 2023, organization of the international workshop “The risks of platform society: inequality, discrimination, manipulation”. University of Turin. Date of the workshop: 8 and 9 May, 2023 (with Valentina Goglio).

November 2022, co-chair of the panel “Climate change issues between citizens, media, parties, and social movements: Toward an integrated research agenda”, ESA mid-term conference, Lausanne (with Riccardo Ladini).

September 2022, co-chair of the panel “Citizens, political actors, and the media facing climate change issues: new avenues of research”, SISP conference, Rome (with Riccardo Ladini).

March 2022, organization of the international conference “Les défis de la démocratie des données”, Université Laval (Canada). Conference date: March 31 and April 1, 2022.

November 2021, organization of the international workshop “Populism as a challenge to key concepts in social and political sciences”, University of Lausanne (with Oscar Mazzoleni and Carlos de la Torre) Date of the workshop: 5 and 6 November 2021.

July 2021, chair of the panel “Populism and conspiracy beliefs: Theory, discourses and practices”, IPSA World Congress (with Greta Jasser).

June 2021, organization and rapporteur of the workshop “Building consensus on political ecology”, Giangiacomo Feltrinelli Foundation.

August 2020, chair of the panel “State borders, populism and nationalism”, ECPR Virtual General Conference.

August 2019, chair of the panel “Populism, institutions and counter-reaction”, ESA Conference (Manchester).

August 2018, chair of the panel “Disintermediation: A pattern of party change in new parties”, ECPR General Conference (Hamburg) (with Daniela Piccio).

February 2018, participation in the organization of the “We the media” workshop on the transformations of political communication, Giangiacomo Feltrinelli Foundation (Milan).

January 2018, participation in the organization of the “We the power” workshop on the transformation of representation, Giangiacomo Feltrinelli Foundation (Milan).

January 2018, participation in the organization of the “We the people” workshop on the transformation of political participation, Giangiacomo Feltrinelli Foundation (Milan).

VII. PARTICIPATION TO CONFERENCES

September 2023, SISP conference (Genoa). Presentation of the paper: *Obstacle or opportunity? Coverage and framing of environmental issue by Corriere della Sera during the energy crisis and its implication for climate change action* (with Daria Loreti).

September 2023, ECPR conference (Prague). Presentation of the paper: *Italian political parties and the environment: towards greater salience?* (with Franca Roncarolo).

September 2023, ECPR conference (Prague). Presentation of the paper: *Business as usual? How gamification transforms internal party democracy*, (with Davide Vittori).

May 2023, SISE conference (Urbino). Presentation of the paper: *A missed opportunity or an opportunity window? Salience, politicization and polarization of environmental and energy issues in the 2022 Italian election campaign* (with Franca Roncarolo).

May 2023, workshop “The new priority: Public opinion, politics and policies in the age of climate change” (Milan). Presentation: *Multiple perspectives on climate change and the green transition: The case of Italian parties*.

November 2022, workshop “Las voces del extremismo en la democracia” (Mexico City and online). Presentation: *Populism in Italy: the extremism of the ethnos and the demos*.

November 2022, workshop “Populism and Borders: Theoretical Reflections and Empirical Insights”, Lausanne (CH). Presentation of the paper: *Convergence without conflict? Transborder national-populist strategies in multi-scalar spaces of mobilization* (with Oscar Mazzoleni).

November 2022, ESA mid-term conference, Lausanne (CH). Presentation of the paper: *Does salience in public opinion explain the relationship between political orientation and attitudes toward climate change? Cross-sectional and longitudinal evidence from Europe 2008-2021* (with Riccardo Ladini).

September 2022, SISP conference (Rome). Presentation of the paper: *The dynamics of climate change attitudes in Italy: Exploring political polarization* (with Riccardo Ladini).

June 2022, AssoComPol congress, Bologna. Presentation of the paper: *Climate change in Italian public opinion, media and parties: State of the art and research agenda* (with Riccardo Ladini).

June 2022, conference “Il prisma della menzogna”, Firenze. Presentation of the paper: *Empowerment o pseudo-partecipazione? La partecipazione online nel Partito democratico e nel Movimento 5 stelle*.

May 2022, conference “Démocratie et populisme : des liaisons dangereuses”, at the Centre de recherche sur les médiations, Université de Lorraine (Metz, France). Presentation: *Journalisme et populisme : les perceptions des journalistes et leurs réponses dans une perspective comparée*.

March 2022, conference “Les défis de la démocratie des données”, Université Laval (Canada).
Presentation of the paper: *What’s behind micro-targeting? The role of party members.*

February 2022, Annual Conference of the Swiss Political Science Association (online).
Presentation of the paper: *Right-wing populist discourse and border issues. A comparison between two Swiss border regions (Ticino and Geneva)* (with Grégoire Yerly).

November 2021, international workshop “Populism as a challenge to key concepts in social and political sciences”, University of Lausanne. Presentation of the paper: *Populism and participation.*

September 2021, SISP Conference (online). Paper presented: *The different paths of institutionalization of the Movimento 5 Stelle at the local level: Comparing Rome and Turin* (with Dario Quattromani).

September 2021, ECPR Virtual General Conference (online). Paper presented: *Is gamification the road toward a more “democratic” internal party democracy? An analysis of the first gamified candidate-selection procedure* (with Davide Vittori).

July 2021, IPSA World Congress (online). Paper presented: *Is gamification the road toward a more “democratic” internal party democracy? An analysis of the first gamified candidate-selection procedure* (with Davide Vittori).

April 2021, online conference “MDM Italy in a Comparative Perspective”. Presentation of the report: *Concentration of the media and democracy in the digital age. An ancient question, with (post) modern implications.*

October 2020, Political Sociology Research Network 32 European Sociological Association Conference (online). Paper presented: *National-populists’ strategies of ambiguity. Addressing party discourses in cross-border and multi-scalar arenas* (with Oscar Mazzoleni).

August 2020, ECPR Virtual General Conference (online). Paper presented: *Unifying and multiplying the people: The strategy of ambiguity in national-populist discourse within a cross-border area* (with Oscar Mazzoleni).

February 2020, Lucerne (Switzerland), SVPW/ASSP Congress. Paper presented: *Unifying and multiplying the people: The strategy of ambiguity in national-populist discourse within a cross-border area* (with Oscar Mazzoleni).

November 2019, Bologna, “Politics in Italy” workshop, Johns Hopkins University. Paper presented: *From social movements to institutionalization: the Five Star Movement and the case of Tav.*

August 2019, Wroclaw (Poland), ECPR General Conference. Paper presented: *Containing of the challenger? How traditional mainstream parties interact with the Swiss People’s Party* (with Oscar Mazzoleni and Laurent Bernhard).

August 2019, Wroclaw (Poland), ECPR General Conference. Paper presented: *Cyber-parties’ membership between empowerment and pseudo-participation: The cases of Podemos and Five Star Movement* (with Davide Vittori).

December 2018, Valencia, workshop “Cyber-parties: New parties, ICTs and organization in the digital age”, Universitat de Valencia. Paper presented: *The online participation platform Rousseau: Members’ empowerment or just propaganda?*

September 2018, Turin, SISP Conference. Paper presented: *The Five Star Movement in Turin.*

August 2018, Hamburg (Germany), ECPR General Conference. Paper presented: *Political disintermediation: Towards an analytical framework*.

September 2017, Urbino, SISP Conference. Presented paper: *The Five Star Movement in Turin: From the first Meet-ups to the election of the mayor*.

September 2017, Urbino, SISP Conference. Paper presented: *Reshaping political organization and participation: The use of the Internet in the Five Star Movement. An analysis of Rousseau*.

May 2017, Catania, mid-term conference of the International Sociological Association Research, Committee n. 48. Paper presented: *The Five Star Movement in Turin: From the first Meet-ups to the election of the mayor*.

January 2017, Turin, “European democracy under stress” conference. Paper presented: *The use of the Internet by the Five Star Movement and Podemos: A comparison of Rousseau and Participa.podemos* (with Raffaella Fittipaldi).

September 2016, Milan, SISP Conference. Paper presented: *Removing or changing intermediaries? Disintermediation, populism and the Five Star Movement’s use of the Internet*.

July 2016, Tartu (Estonia), ECPR Graduate Conference. Paper presented: *Internet as a tool of disintermediation: The case of the Five Star Movement (Italy)*.

July 2015, Milan, International Conference on Public Policy. Paper presented: *Participatory engineering and its remedies for the crisis of representative democracy. Much ado about nothing?* (with Stefania Profeti).
